Dear Op Shoebox New Jersey,

Just want to really say thank you so much and God Bless you all for the care boxes I received. I was able to share with the troopers and make them happy as well. You really placed a smile on my face. Thank you so much for keeping us motivated. We are here in Iraq until 31 Dec. 2011. We already hit the 100s. It is very hot! We really hope to hear from you again and hopefully receive another box or two. Thank you sincerely. We are from Ft. Bragg, N.C., Home of the Paratrooper. Thank you sincerely and Airborne all the way!

Very respectfully,
