Mr. Hirsch and the folks at Operation Shoebox,

Thanks so much for the recent packages your group sent. Our deputy CO just left and he is from NJ. Several boxes came from your organization addressed to him. We contacted him and, of course he encouraged us to open them and share them around the office. I am newly deployed and hadn't received anything yet from home so it was a nice surprise to get a box of great stuff. Thanks so much for your efforts, they really mean a lot to us out here.
