Hello,

On behalf of all the service members out in theater right now, we thank you for devoted and sincere dedication to sending us the care packages.

We all appreciate all of the wonderful gifts and small comforts of home that we receive from the packages you send each and every day.

We are proud to be serving in the armed forces to protect you all back at home, knowing that you all care.

Respectfully,

Sgt Wheeler, Armond E. USMC
Joint Acquisitions Review Board Administrator (JARB)
Operational Contracting Support
